

DUBLIN ZOO
ACTIVITY BOOK

CHIMPANZEE

CHIMPANZEE

INTRODUCTION

Welcome to Dublin Zoo's **#DUBLINZOOFUN** series where we will give you and your children a daily activity booklet to work together to complete.

All of the answers you will need to complete this activity booklet can be found on the Dublin Zoo website – www.dublinzoo.ie, or on our social media pages.

If you and your children are taking part in these activities, don't forget to tag **#DUBLINZOOFUN** in your progress pictures so we can share them on our Instagram and Facebook Stories.

Have fun and stay safe! – **DUBLIN ZOO**

CHIMPANZEE

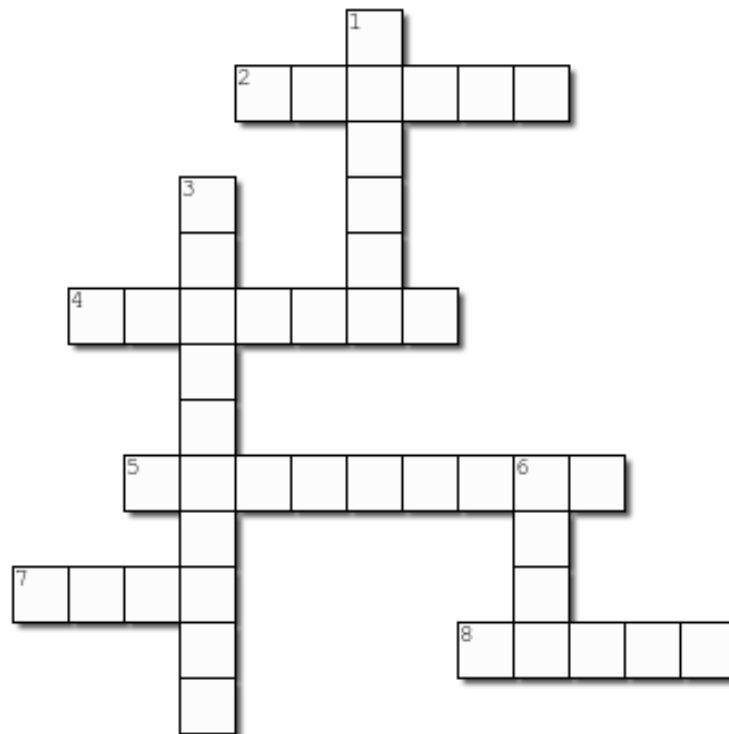

COLOUR ME IN

Austin, the dominant male of the community of chimpanzees at Dublin Zoo!

#DUBLINZOOFUN

FILL IN THE BLANKS

Chimpanzees are **human's** closest living relative, sharing over 98% of the same DNA as us. This great ape is similar in size to a human being with a **sturdy** body, short legs, long arms and a coat of **black** hair. Presenting your **bottom** to another chimp is a sign of respect! It shows them that you know they're boss. Chimpanzees are also one of the few species that can recognise themselves in a **mirror**. Chimps are **omnivores**, but they particularly like fruits, berries, leaves and **insects**.
